

POLLASNET WORKSHOP

Laser and Optical Technologies – Implementation in Industry and SME's

11-12.12.2006, Warsaw,

Hotel IBIS WARSZAWA CENTRUM, Al. Solidarności 165

Agenda

No	Subject	Author	Session
Monday 11.12.2006			
00	Welcome address, presentation of participants (0.5 MB)	Dr Marek STRZELEC Dr Zbigniew PATRON	Laser technologies for SMEs and Industry
01	Laser technologies implemented in Industry and SMEs in Spain (23.5 MB)	Prof. Jose Luis OCANA	
02	Transfer of laser technology from science sector to SMEs in Lithuania – successful stories, limits and perspectives (17.7 MB)	Prof. Aleksandr DEMENTJEV	
03	Lasers for medicine and industry.	Prof. Ludwik POKORA	
04	Consulting and education services for laser technologies SMEs - users in Bavarian (5.5 MB)	Dr Jozef FARNY	
05	Semiconductor blue lasers – Polish developments (7.6 MB)	Prof. Michał LESZCZYŃSKI Dr Konstanty DONIMIRSKI	
06	SMEs in EU countries – perspectives of R&D in the field of laser technologies (2.6 MB)	Dr Filip MOTMANS	
07	R&D in a Polish optoelectronics SME. (3.8 MB)	Dr Adam CENIAN	Prospects of laser technologies applications.
08	1 μm lasers – applications, future prospects (3.3 MB)	Dr Manfred Reinhold BERGER	
09	Research on solid state lasers in Poland; status, applications, prospects (8.5 MB)	Prof. Jan JABCZYŃSKI	
10	Micro-materials processing with fibre lasers and short review of laser technologies in UK (16.0 MB)	Dr Michael DUKA	
11	Laser plasma X-ray and EUV sources for technology and biomedical applications (16.7 MB)	Prof. Henryk FIEDOROWICZ	
12	POLLASNET – present activity and future (5.4 + 4.4 MB)	Dr Marek STRZELEC Dr Zbigniew PATRON	Support organizations for optoelectronics development.
13	Polish Optoelectronics Platform	Mr Krzysztof ŁEBKOWSKI	
14	Regional Innovation Strategy support for regional clusters creation and development (1.3 MB)	Dr Maria ANTOSIK	
15	MNT ERA-NET (1.9 MB)	Dr Piotr DUMANIA	
16	EULASNET II (0.6 MB)	Prof. J. OCANA	Financial issues
17	EUREKA Initiative, Financial support of optoelectronics in EU countries (1.2 MB)	Mr Jerzy TOKARSKI	
Tuesday 12.12.2006			
I	Visit in TOPGAN	Prof. M. LESZCZYŃSKI	Visits
II	Visit in CTL LASERINSTRUMENTS	Mr M. POKORA	
III	Visit in Institute of Optoelectronics, Military University of Technology	Prof. H. FIEDOROWICZ	
IV	Round table (EULASNET MEMBERS)	Prof. L. OCANA	Round table
